

COMP 3550 Internet Tech II

1 GROUP MEMBERS

Akash Manohar - 812002280

Inzamam Rahaman - 810006495

Jherez Taylor - 812003287

Steffan Boodhoo - 812003126

Warren O'Connell – 811000293

Repository - <https://github.com/IzzyRahaman/A01.git>

The submission folder can be found in the root of the repository. It can be deployed by downloading Submission.zip and launching the index.html file.

Within the repository, only the template folder contains the relevant project code. A01->A01->templates.

2 HIERARCHY OF INFORMATION

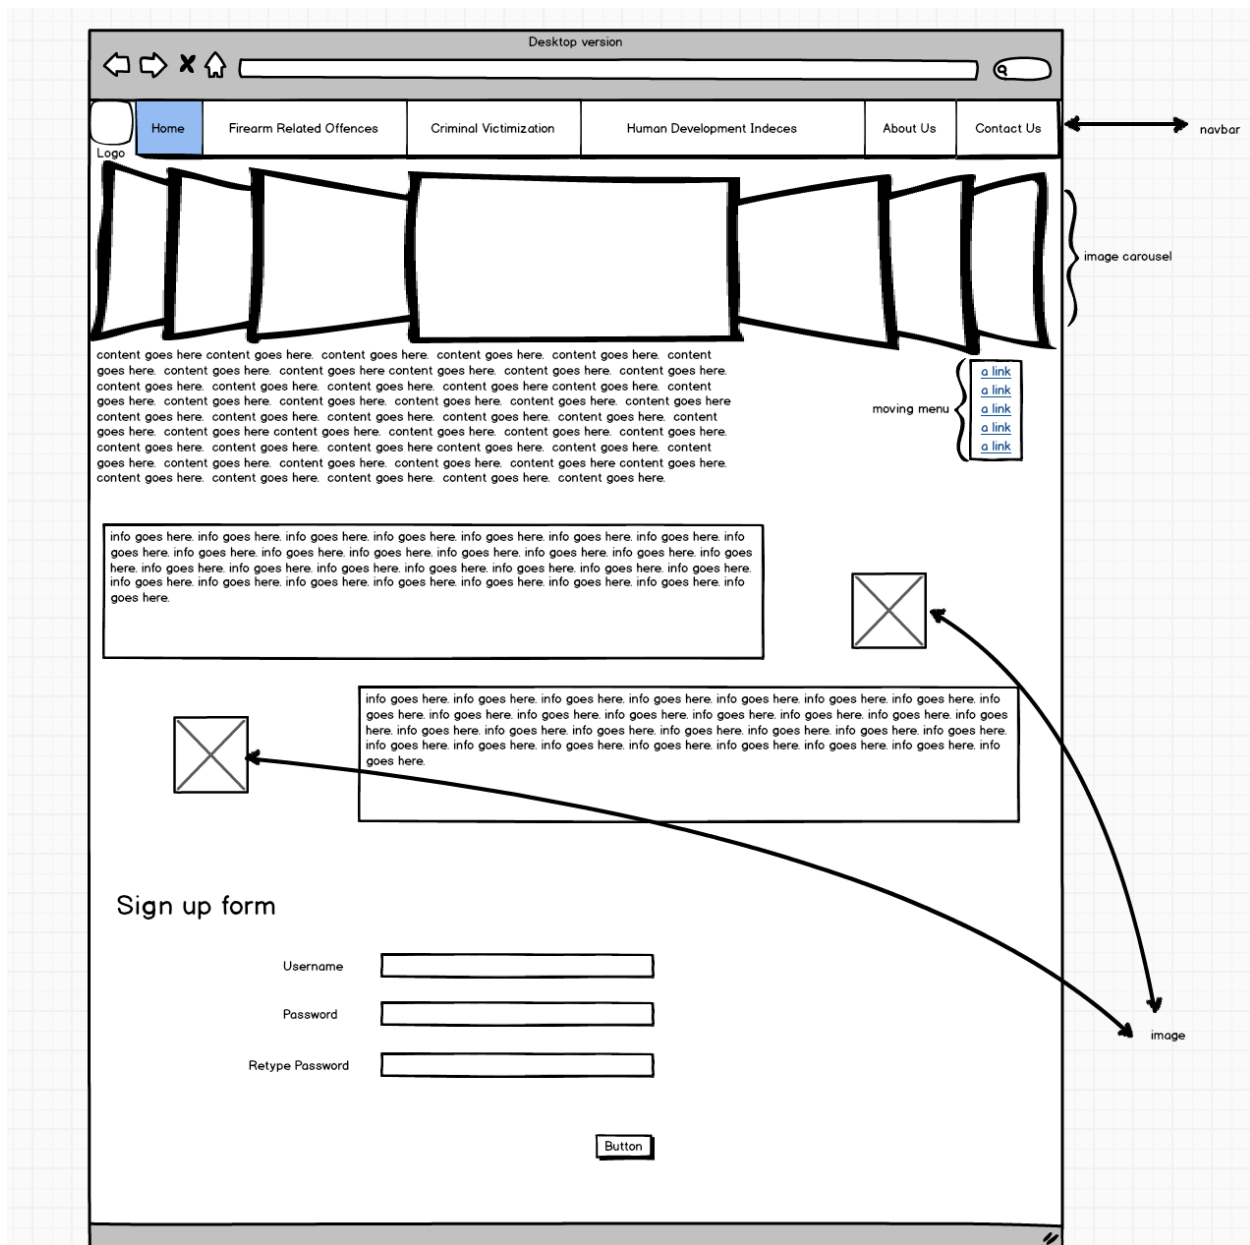

For the assignment, the team decided to focus on the aspect of crime. On the home page, a series of images and text boxes are used to display information about the various aspects of crime. The webpage then displays two charts on firearm related offences and criminal victimization. It also includes a table that displays the Human Development Indices for Caribbean countries for the year 2011.
